• First detail commences: 10.00

- Course of fire: 30 shots at 25yds, 3 consecutive details of 10 minutes (including sighters), with 5 minutes between details and 10 minutes change-over between squads.
- Ties: settled by count-back. In the event of a dead tie after count-back, a shoot-off will decide the championship.

I do not have direct contact with shooters, so would all club contacts please make sure to inform 'their' shooters.

I would be grateful if all shooters could confirm directly to me whether or not they will attend **the final.** This would be very helpful for the organisers of the event.

Best regards, Dave Chick Rifle league organiser
